Report of implement in New Library policy 11

Our School library is independent and well-equipped and has well furnished section of all types of reference books, volumes etc; in all media. It is suitable for knowing the requirement of primary and secondary school.

Books are kept open access system. Subject wise arrangement has been made properly. Every book has been computerized for the purpose of classification and cataloging. For issuing and returning the books BAR-Code system is established. For classification DDC system is used. Junior library allotted for primary section. For primary section, class library is arranged, too. The class teachers can get books from main library which will be in accordance with the standard and interest of the age group of the children of the class concerned .In addition to this, English reading cards are available in the library. We also encourage the students to keep a record for this , they have separate notebooks.

In the morning assembly book reviews are read, so that the students be encouraged to know about the various books and take interest in reading books, too.. We also maintain a record of various book reviews. Book reviews collection is kept for ready reference.

Magazines are displayed on magazines stand for current awareness. For local information various types of maps are fixed on the wall . For the beautification purpose we have displayed the pictures of great modern philosophers, writers and scientists. As per new library policy for Kendriya Vidyalaya following activities carried out- Library Committee, Readers Club, Career Guidance and Counselling corner is developed.

Each student can issue two books at a time for a period of one week. Each user is provided library card for issuing books. Old magazines are kept for issuing purpose.

Library Services- Our library provides following services to the staff as well as the students.

1. Circulation
2. Reference services
3. Current Awareness services
4. News papers clipping service
5. Internet -Broad band
